cancel.  
[Please amend claim 5 as follows:]

5. (Amended) The method of claim 11 including invoking a method which provides a handle to said first marker.

---

Please amend claim 10 as follows:

---

10. (Amended) The method of claim 11 including providing a log-in server, reporting a transmission to said log-in server and allowing a third party to access said log-in server to receive transmission reporting.

a3  
[Please amend claim 11 as follows:]

11. (Amended) A method for tracking video transmissions comprising:  
setting a first marker in the video transmission;  
tracking the transmission after said first marker;  
providing an on-going count of bits transmitted and time elapsed from the point in time when the first marker is transmitted; and  
reporting the transmission.

---

Please amend claims 14-16 as follows:

---

14. (Amended) The system of claim 13 wherein said broadcast encoder sets the first marker in the video transmission.

15. (Amended) The system of claim 13 wherein said content provider sets the first marker in the video transmission.

a4  
16. (Amended) An article comprising a medium for storing instructions that cause a computer to:  
set a first marker in a transmission;  
track the transmission after said first marker;  
provide an on-going count of bits transmitted and time elapsed from the point in time when the first marker is transmitted; and  
report the transmission.
